

Q & A with Santa Claus

How do you visit the whole world in just one night?

I stre-e-etch time.

Do you read every single letter kids write to you?

Yes, I love to read the letters kids write. I know they took time to write them during a very busy time of year. All children have GIGANTIC hearts and their kindness is displayed in their letters.

What's your favorite Christmas song?

1 Silent Night

#2 Santa Claus is Coming to Town

Do you ever get tired of cookies and milk?

My doctor would hope for a much different answer, but ABSOLUTELY NOT! Most people count sheep, I count cookies when I have trouble sleeping.

How do reindeer fly?

Magic Dust is the key. I carry it with me every Christmas Eve. This is the same magic dust used to make "My Letters from Santa" books

What are you doing when it's not Christmas time?

I oversee the elves while they make presents. Check the naughty and nice list on my computer. I sing in my church choir with Mrs. Claus and the Easter Bunny. Mrs. Claus and I love going to movies, usually every Wednesday night.
